

# Join Vet 2011 !

Help us to make World Veterinary Year the most important initiative ever undertaken to promote veterinary medicine, veterinary science and veterinary public health, and ***become a member of Vet 2011.***

- If you represent a national, regional or international veterinary institution or research institution wishing to contribute to the overall success of the World Veterinary Year,

➤ **become an associate member.**<sup>(1)</sup>

- If you represent an institution or if you are a person who would like to act as an ambassador for its country or region for the World Veterinary Year,

➤ **become a corresponding member.**

- If you represent an institution other than veterinarians who agree to provide moral and material support to the overall success of the operation or to a particular event,

➤ **become an institutionnal partner.**

- If you represent a company wishing to associate its brand and image to all or part of Vet 2011 in return for a financial contribution

➤ **become a business partner.**

*Could you please fill out the registration form overleaf*

(1) Annual dues of associate members is 1 000 €
